

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

FINANCIAL INSTITUTIONS MANAGER

JOB DESCRIPTION

Employees in this job function as professional managers with responsibility for a financial institution program performing as Examiner-in-Charge (EIC) of the largest, most complex and/or problem state chartered depository financial institutions and state licensed non-depository financial institutions; to determine safe and sound operating practices in accordance with state and federal statutes. The employee, in a managerial capacity under general or administrative supervision, works with general methods and procedures and exercises considerable independent judgment to select proper courses of action. The work requires thorough knowledge of state and federal examination methods, practices, procedures, policies, rules, guidelines, and standards required to examine financial institutions and some knowledge of supervisory techniques and personnel policies and procedures.

There are three classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title – Financial Institutions Manager-2
